Bridge and  
Duffield Sts.

This sale will be the most important ever held in New York, and is a great saving opportunity.

STORES  
OPEN ON  
MONDAY  
AT 9 A. M.

And Will Sell It From One-Half to One-Third Under the Usual Retail Prices

This Tremendous Event Is Without a Parallel in the Recent History of Dry Goods Retailing

STORES  
OPEN ON  
MONDAY  
AT 9 A. M.

The magnitude of the purchase and the low prices at which we have marked the goods will present to the women of New York and vicinity an opportunity for BARGAINS that has never been offered before.

In every department in both the O'Neill and Adams Stores Bargains will be placed on sale from day to day, beginning to-morrow, that will be entirely beyond competition by any house in the city.

The esteem in which the house of Chapman & Co. was held by the people of Brooklyn as bargain-givers is a guarantee of the sensational values offered at the prices now made. They had the reputation of showing the right goods at bargain prices, and when a Million Dollar stock from such a well-known house is offered at one-third and one-half under original prices the event may well be called unparalleled and tremendous.
